

## Speech-Language Pathology Master's Degree Course Sequence - CC II Fall 2022 Admission

[Link: Key Points of Advising](#)

Courses outside the Department (required for the California Speech-Language Pathology Services Credential)

† HDEV 380 (3) Lifespan Human Development

† SPED 500 (4) Educating all Learners in Diverse Classrooms (Required for Speech-Language-Hearing Services Credential in CA)

Note: Students may petition for substitution if coursework has already been taken, as long as that coursework did not count towards a prior degree.

Required Graduate and Upper Division Courses within the Department

The charts below show the order in which SLHS courses are currently offered by semester, and the order in which they are normally taken.

Graduate students are expected to enroll in the summer term between year one and year two of the program.

Note: *If not yet taken, any ASHA CCC's course (statistics, and biological, physical, and social/behavioral sciences) may be taken in a CR/NC grading pattern.*
