Degree Requirements

Students may need additional semester units to meet degree unit requirements (120 units total). Students should meet with a CLASS Student Services Advisor to confirm how many actual units are needed based on overall academic history and to verify any pending unit/GE requirements: [https://www.csueastbay.edu/class-ssc/index.html](https://www.csueastbay.edu/class-ssc/index.html). If additional units are needed, the following areas are recommended: SLHS elective courses, biological/health sciences, communication, ethnic studies, early childhood education, English, human development, psychology, language studies, statistics. Students who are also pursuing a minor are expected to meet this additional unit requirement through their minor coursework.

Notes

1. The Biology course should meet the criteria for the Biology requirement by ASHA: [https://www.asha.org/certification/course-content-areas-for-slp-standards/](https://www.asha.org/certification/course-content-areas-for-slp-standards/)
2. HDEV 380 fulfills the G.E. upper-division (UD) Area D (Social Science) requirement.
3. SLHS 497 can be taken up to two times. Topics vary each year.
4. SLHS 496 is a variable unit research experience course (1-3 units), which can be taken multiple times. By permission only.
5. SLHS 306 fulfills the G.E. upper-division (UD) Area D (Social Science) and Diversity overlay requirements.
6. PHYS 304 fulfills the G.E. upper-division (UD) Area B requirement.
7. SLHS 204 and SLHS 208 fulfill the G.E. lower-division Area D1-2 requirement.
8. SLHS 305 must be taken twice.
9. SLHS 310 is not required, but is strongly recommended for students considering graduate school. Can be substituted for the SLHS 400 requirement.
