

Cal State East Bay Department of Speech,  
Language, and Hearing Sciences

# PIONEER PALS

Camp Pioneer Pals is geared towards children ages 3 –10 interested in building on their social communication skills while participating in developmentally appropriate, engaging, and fun activities. Campers will learn new skills, make friends, and be supported by a team of speech pathologists, education specialists and related professionals in an enriching indoor-outdoor space. We welcome siblings (one per camper) to join us in creating an inclusive community for all campers.

Supervised by certified speech language pathologists, Pioneer Pals will focus on activities that promote communication, friendships and social interactions.
