Core Values
CSU East Bay

Strong tradition of Teacher Preparation

- **College Mission Statement**
  We prepare collaborative leaders, committed to professional excellence, social justice, and democracy, who will influence a diverse and interconnected world.

- **College Vision Statement**
  We strive to exemplify the ideals of social justice and democracy, distinguished by excellence in teaching, scholarship, vibrant programs, and graduates who are powerful actors in their communities.

- **College Values Statement**
  We, faculty and staff, practice a student-centered approach valuing excellence in teaching and scholarship, collaboration and partnerships, assessment and evaluation, and equity and diversity.
Agenda

- Residency
- Organization
- Cost/Resources
- Application
The resident teacher participates in a year long student teaching, non paid, experience with a mentor teacher. Residency experiences are half time.

CSUEB offers programs in **Mild Moderate Support Needs** and **Extensive Support Needs**.
Why Residency?

Resident teachers...

- Remain in the teaching profession
- Become leaders and instructional coaches
- Year long work with a Mentor teacher; build relationships
Why CSUEB?

- Tradition of strong teacher preparation
- Cohort format
- Diverse cohorts; many first generation candidates
- Credential and Master’s in Science in Special Education
- Faculty, experts in their field, some teach in OUSD
Residency Participants

Receive a stipend of $15,000.00
Eligible for housing
Eligible for test prep
Teach part time with an identified Mentor Teacher for the entire year

In return, teach for 4 years in the OUSD
Residents Learn to

- teach the core academic program, authorization specific programs
- conduct formal, informal, and progress monitoring assessments
- create, monitor IEPs
- manage large group, small group and 1-1 instruction
- create positive learning environments, behavior support plans
- work collaboratively with teachers, parents and service providers
- develop professional presence
Foundations of the Program

Coursework

Fieldwork

- Year 2 Resident candidates become interns
Cost/ Resources

- $4,000/ semester ---5 semesters
- Financial Aid
  http://www.csueastbay.edu/financialaid/
- Teach Grant
  https://studentaid.gov/understand-aid/types/grants/teach
- Year 2 of the program, candidates are employed as intern teachers
Both Department and University applications needed for admission to the University

http://www.csueastbay.edu/cssc/prospective-cred-student/special-education.html

- Summer deadline: April 1
- Fall deadline: June 1
Information about the application process is located on Credential Student Service Center web page

http://csueastbay.edu/cssc

Prospective Students
Education Specialist
Application Materials

Statement of Purpose

Transcripts
- One set containing all institutions attended (sent directly to the University)
- One set that has the BA degree posted (sent as a part of the department application)

3 Letters of Recommendation

Certificate of Clearance

CSET any core academic subject or multiple subjects (must be completed prior to year 2 of the program)

CBEST (complete as soon as possible, submit a receipt of a test date)

US Constitution
Admission Process

- Review of department applications and supporting documentation
- Interview(s)
- Completion of submission of other documents and transcripts
- CBEST must take prior to admission
- CSET completed during the first year of the program
Do Now

- Complete the University Application
- Order transcripts
- Study for CBEST and CSET
- Register for CBEST and/or CSET
- Obtain letters of recommendation, form and accompanying letter
- Complete LifeScan for Certificate of Clearance
Before the Interview

- University application completed
- Statement of Purpose completed
- One letter of recommendation submitted
- Receipt indicating transcripts were ordered
- Scheduled date for CBEST
Expectations

- Organize your time and responsibilities
- Community and financial resources
- Able to handle inconsistencies, changes
- Make decisions
- Respond to requests within 48 hours
- Work with many individuals
Expectations and the Theory Practice Gap

Dissonance between what is presented in courses and what takes place in the field
Changes deadlines, errors, schedules
Assignments require interpretation
May need to work on own...make choices, decisions
Cannot tell you exactly what to do
Not an individualized program
