2019 United in Science Report - Key Messages

CAP-IT Update

Meeting of Feb 12

- Continuing Business:
 - Solar IV Request for Proposals (RFP)
 - Printer policy
 - Air travel offsets policy
 - Discussion of use of parking budgets for alternative transportation
 - The decision to contract a private shuttle rather than AC Transit with free student passes
 - Addressing the needs of students in student housing
 - Shuttle performance issues
 - The decision to charge for electric vehicle charging
 - Concerns about transparency in decision-making

Zero Waste Update

- FDO working on a zero waste plan for CSUEB
- SF Building Zero Waste Campaign
- Educational posters for all custodial closets
- New waste bin signage
 - Updated on all interior bins
 - FDO purchasing Alumigraphics signage for exterior bins
- Compost bins and signage coming to all restrooms
- Food Waste Campaign in Pioneer Heights with StopWaste Alameda County

Paper Towels Only

Please NO TRASH

Landfill & Recycling Bins
are located in the Hall

Thank you!

We are composting to reduce waste.

REDUCING FOOD WASTE CURBS CLIMATE CHANGE

In the USA, we produce enough
food waste to fill the Oakland Coliseum
to the top 1.5 times each day.

StopFoodWaste.org

First Item of Business: Vote

Should the CSC have the Director of Parking & Alternative Transportation Services position as an ex-officio member?

Recent restructure

- Parking & Alternative Transportation Services was represented on the CSC when it was a direct report to the AVP of Campus Life.
- Recent restructuring, so Parking & Alternative Transportation Services now reports to the Chief of Police.

Printer Policy

- Requests for amendments received from A&F (2/6)
- Request for amendments received from Procurement (2/11)
- Consider the amended document for approval
 - Background
 - Exclusion policy

Continuing Business

- Energy Update - Solar IV & Microgrid (FDO)
- CORE Building Update (FDO)

Air Travel Offset Policy

- CAP Action Step TRAN6
 - All state-funded travel will be carbon neutral or 100% offset by 2022
- Timeline
 - Apr 2018: CAP approved
 - Apr 2019: Research on Air Travel Offset Policy presented to CSC
 - May/June 2019: Reviewed by Cabinet
 - Oct 2019: Revised to policy format; Finance Office & A&F review
 - Dec 2019: CAHS approves to send to Senate as info item
 - Feb 2020: Senate approves as info item

Air Travel Offset Policy: Discussion

- Additions
 - If donors object to paying the air travel fee, the fee will be paid by the University. Per personal communication with VP of University Advancement, William Johnson, on June 20, 2019.
 - Financial Services responsible for enforcement.
 - Fund clarification from Finance Department.
