The Cal State Hayward Theatre Department will present "Monkey Magic," by Aurand Harris. Show times are Friday at 8 p.m. and Saturday at noon and 2 p.m. in the University Studio Theatre.

Directed by Edgardo de la Cruz, "Monkey Magic" is a collection of six Chinese folk tales in which Monkey, played by Bong Ian Dizon, uses his magical powers to rescue those in distress and make dreams come true.

The lively performance incorporates mimes, puppets and marionettes with actors in ornate Chinese costumes, bright stage lighting and noisemakers such as gongs and clappers.

Dizon, a two-time CSUH Drama and Dance scholarship winner, was recently seen in the CSUH production of "A Chorus Line." He also performed in three productions at the Civic Light Opera in Alameda last summer.

Tickets are \$6 for adults, \$3 for children or \$14 for a family (2 adults and 4 children). For show information, call (510) 885-3261.

The play was also performed for Bay Area school children earlier this month.
