The Apollo at the Bay talent show, presented by Women of Success, wowed audiences in the University Theatre Friday night. Ajiri Ekpebe and Xavier Metters hosted the event which drew excited and captivated the

audience. Although the event was plagued by technical difficulties concerning microphone performance and audio playback, the judges were able to select winners in each of the four categories. Performers Krystal and Justin scorched the stage with a pas-

sionate dance performance to win their category. Poet Sean riddled the audience and the judges with a solid reading from the podium to take his section. Performer Johnas sang a pow-

erfully moving song with a mystical offstage start to dominate his category. Rappers Nay and Marc spit incredible rhymes to keep the energy flowing as the last performers and win the rap section of the

competition. Entertainer Young Jitt, last year's winner, returned as a guest performer to provide four sets of spectacular stage shows. The talent show ended with a massive dance party on stage.

Angels: Guest performers from the India Jade dance company performed an ethereal selection.

Winners: Crystal and Justin took home first place for their passionate dancing.

Closing Act: Guest performer Young Jitt was joined by members of the audience and other performers as they closed out the night's talent show.
